**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a suburban consumer than supports broadband competition. I am currently a satisfied customer of Sonic. I tried and rejected large vendors including AT&T and Comcast. Their technology and service were inferior and their prices higher.

The FCC should not take any action that in any way makes it more difficult or costly for new and small providers to bring broadband to consumers and small businesses.
